Security and Guarding Services Industry Authority (SGSIA)

Services  
Concerned

- The Authority considers and determines applications for Security Company Licence (SCL) according to Security and Guarding Services Ordinance (SGSO) (Cap. 460).
- The Authority conducts hearing to consider and determine applications from the Commissioner of Police for a revocation or suspension of Security Personnel Permit under SGSO.

Existing  
Measures

- An application for a SCL may be made only by a company. Our service is neutral with regard to race and is delivered in both English and Chinese.
- The Authority will provide the people of diverse race with free telephone interpretation service in eight languages through the Telephone Interpretation and Enquiry Service (TELIS) of the Centre for Harmony and Enhancement of Ethnic Minority Residents (CHEER), if necessary.
- During hearing, interpretation service is provided to respondents that cannot communicate in either Chinese or English.

Assessment of  
Future Work

- The Authority will collect statistics on the use of interpretation service by the people of diverse race for a better understanding of their need and will review the effectiveness of current measures in helping them for our public services, where necessary.

Long-term Prison Sentences Review Board, Release Under Supervision Board and Post-Release Supervision Board

|---------------------------|---|
| Services Concerned        | <ul style="list-style-type: none"><li>● Long-term Prison Sentences Review Board, Post-Release Supervision Board and Release under Supervision Board perform their statutory functions as prescribed by the Long-term Prison Sentences Review Ordinance (Cap. 524), Post-Release Supervision of Prisoners Ordinance (Cap. 475) and Prisoners (Release under Supervision) Ordinance (Cap. 325) respectively.</li></ul>  |
| Existing Measures         | <ul style="list-style-type: none"><li>● As most of the communications between the three boards and the persons-in-custody are via the Correctional Services Department (CSD), the Board Secretariat has been working closely with CSD to ensure the persons-in-custody understand the contents of the correspondence issued by the three boards. In addition, the written representations received by the Board Secretariat in foreign languages are at present translated to either Chinese or English for further handling.</li></ul> |
| Assessment of Future Work | <ul style="list-style-type: none"><li>● The Board Secretariat will, from time to time, work together with CSD to assess the effectiveness of our communications with the persons-in-custody and explore possible and practicable enhancement in the communications.</li></ul>   |

## Hong Kong Jockey Club Drug InfoCentre

Services Concerned	<ul style="list-style-type: none"><li>● The Hong Kong Jockey Club Drug InfoCentre (DIC) serves as the hub and focal point for anti-drug activities by hosting educational interactive exhibitions and various activities to enhance anti-drug preventive education and publicity in Hong Kong.</li></ul>
Existing Measures	<ul style="list-style-type: none"><li>● The permanent exhibition, guided group tours and the programme of interactive theatre are offered in both Chinese and English. Since 2024, certain exhibit content has also been available in languages such as Bahasa Indonesia, Hindi, Urdu, Nepali, Thai and Tagalog to enhance accessibility for non-Chinese speaking groups at DIC. QR codes are prominently displayed in DIC, providing visitors instant access to these languages.</li><li>● Upon request, the DIC would also provide guided tours in certain languages (e.g. Urdu) targeting the ethnic minorities. Certain anti-drug publicity materials would also be available in languages of diverse race.</li></ul>
Assessment of Future Work	<ul style="list-style-type: none"><li>● We will continue to implement the existing measures and assess our service delivery from time to time in view of comments received to ensure neutrality with regard to race.</li></ul>
Additional Measures Taken/To Be Taken	<ul style="list-style-type: none"><li>● A new holographic video featuring a Nepalese drug rehabilitee sharing his experiences as an ex-drug abuser will be launched in 2026.</li></ul>
